

Dear Supporter,

In 1933, the *Blue Revue Scholarship Program* was established with concept adoption as a national program and implemented by chapters of the sorority across the country. The purpose of the *Blue Revue Scholarship Program* is twofold. Primarily, the program was established to encourage and inspire youth to uphold the admirable ideals and principles of the Sorority and to put into practice acceptable ways of social behavior. Secondly, it serves as a conduit to promote higher education through scholarship and other financial resources.

This year's *Blue Revue Scholarship Program* theme is "*Reflections of Royalty*". Our enthusiasm to host such an occasion develops from one of the sororities founding principles - *Scholarship*. Our purpose is to provide each participant with financial assistance for post-secondary opportunities. In addition, participating in this event simultaneously introduces them as forthcoming members of society that are invested in realizing and achieving their goals.

The event will be held on Saturday, March 30, 2019 at 11:00 a.m. on the historic campus of Fisk University in Jubilee Hall, Appleton Room. You are cordially invited to serve as a sponsor for this event. Three levels of sponsorship are available as described below:

- \$200 - **Sapphire Donors** receive two (2) tickets to the event, recognition during the program, featuring of your company's logo, and recognition via our chapter's social media outlets.
- \$100 - **Diamond Donors** receive one (1) ticket to the event, recognition during the program, and recognition via our chapter's social media outlets.
- \$75 - **Pearl Donors** receive recognition during the program and recognition via our chapter's social media outlets.

Tickets for the event can be purchased via any representative of our organization. Donations and contributions can be made based on the attached pledge levels.

Zeta Phi Beta Sorority, Incorporated feels that by investing in our youth today, you allow them opportunities that can promote and ensure a successful future.

Thank you!

Reflections OF Royalty
